9TH NORWEGIAN NATIONAL SESSION TRONDHEIM 2011

EYP Norway proudly and gladly announces the call for officials to the 9th Norwegian National Session in Trondheim. The session will take place from September 14th to 16th. **Officials are expected to arrive on September 13th before 14:00.** Tuesday afternoon and evening will be spent on extensive alumni teambuilding and training, guided by the Session President, Jorg Körner.

We are looking for:

7 international chairs

8 Norwegian chairs

2 editors

1 international jury member

8 organisers

8 journalists (both Norwegians and internationals)

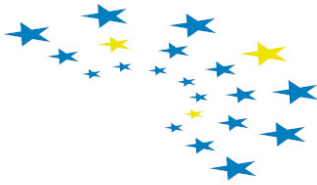

There is no participation fee for officials!

24 Norwegian school delegations and one German delegation will participate and 104 delegates will attend the session. The session will gather about 165 people for three inspiring and challenging days in the city of Trondheim.

We will select two schools going to the International Session in Zagreb autumn 2011 and two schools going to Istanbul spring 2012. We will also select schools to International Fora.

The committees will be chaired by two chairs, one Norwegian and one international. The aim is to give the less experienced chairs a possibility to gain more experience with help from an experienced chair. By this, we aim at a balanced chairs team where also more experienced chairs have the opportunity to further develop their skills.

Concerning the press room, the aim is for the production of two or three high quality newspapers that present the session also to external readers, and that photos and possibly videos can form a basis for EYP Norway's publicity material. A second purpose is for journalists to gain an insight into EYP activity from a new perspective.
